COURSE DESCRIPTION

This course is an introduction to the applications and techniques of digital editing technology. Students develop an understanding of the fundamentals of computer postproduction applications as they relate to film and video image/sound editing.

LEARNING OBJECTIVES

The student will be able to comprehend how audio and video images are captured and stored in a digital device. The student will be able to identify and interpret the differences between analog and digital devices and formats. The student will be able to operate Avid Media Composer, Adobe Photoshop, and Avid DVD by Sonic and to demonstrate how each application is used to create, edit or enhance audio and video. The student will be able to apply these skills as required to create finished video projects with graphics and sound effects. Avid tutorials can be found on YouTube and other internet sites.

GRADING CRITERIA/STANDARD

Students will be evaluated based on attendance, quizzes, lab tutorials, midterm exam, and final exam and graded on the scale below.

100-93  A  
92-84  B  
83-74  C  
73-63  D  
62-00  F
The following weight will be given to each component.

- Quizzes – 20%
- Assignments/Exercises – 20%
- Mid Term Exam – 20%
- Final Exam – 40%

**QUIZZES, ASSIGNMENTS and EXAMS**

Students with an overall average of A on Quizzes, Assignments and Midterm will be exempt from the Final Exam. Expect quizzes to be given daily. Quizzes will cover lectures and assigned readings up to that date. Quizzes will be given promptly at the beginning of the class and last for 5 minutes. Any student arriving late will not be allowed to take a quiz. Quizzes cannot be made up. The two lowest daily quiz grades (major quizzes excluded) will be dropped. Due to the fact that daily quizzes cannot be made up, it is highly unlikely that you will pass the class if you miss multiple quizzes. Make-ups for exams will only be given for excused absences. Absences will only be excused in extreme circumstances as decided by the teacher. Assignments in this class are given for your benefit. Failure to complete any assignment will earn a grade of zero. As such, no late assignments will be accepted for a grade except in cases of extreme circumstances as decided by the teacher.

**BACK UP YOUR WORK**

Your work stored on the ISIS system is protected to some degree by redundant drives; however this is not a guarantee that it is completely safe. The local drives of FTA computers are cleaned and deleted on a regular basis and no work is to be permanently stored on local computer hard drives. You should back up your work on removable drives or discs to ensure that it is not lost or accidentally deleted. You are solely responsible for securing and preserving all work. Credit will not be given for work that is lost due to hardware failure or accidental deletion.

**NOTE:** UNLESS INSTRUCTED BY THE TEACHER, NOTHING IS TO BE SAVE TO THE C DRIVE OR DOWNLOADED FROM AN EXTERNAL SOURCE. ALL DRIVES WILL BE WIPED CLEAN AT THE END OF THE COURSE.
TEXT

STUDENT ATHLETES

If you are a student athlete, and your practice or game schedule will cause you to miss class, you are strongly advised to drop this course. The highly interactive nature of this course requires your presence in class and the out of class exercises necessitates you spend considerable time each week working in the Avid lab.

ATTENDANCE

This class will be taught in a highly interactive manner. Practical tests of your ability to use the software will constitute a large part of your final grade. Your attendance at every class session is especially important. Attendance is required and will be monitored every day. By missing class you will receive a zero for that day’s quiz. Besides attending class, students should expect to spend 2 to 3 hours a week in the Avid lab to complete assignments.

CLASSROOM CONDUCT

Civility in the classroom and respect for the opinions of others is very important in an academic environment. It is likely you may not agree with everything that is said or discussed in the classroom. Courteous behavior and responses are expected, as well as the following:

1. Be in class on time. Please do not come five, ten, or twenty minutes late. Distracting interruptions are inconsiderate, disrespectful, and time wasting. There is no excuse for repeatedly arriving late. Parking is often a hassle; allow enough time for it. Cell phones, IPOD’s and other electronic devices should be turned off before class begins.

2. Feel free to ask questions of the instructor during class.

3. Students are expected to treat faculty and fellow students with respect. Any actions that purposefully and/or maliciously distract the class from the work at hand will not
be allowed. Bullying, intimidation and harassment (sexual, cultural, ethnic, etc.) will not be tolerated.

4. No food or drink allowed in the lab.

**MOODLE**

Students must have Internet access to [www.uno.edu](http://www.uno.edu) and the Moodle portion of FTCA 2565. Students are responsible for all e-mail communications from the instructor to their UNO email drop box. Your UNO email should be your email of choice in Moodle. Moodle can be accessed at uno.mrooms3.net. Live help for moodle can be found at the Computer Center Help Desk (504)280-4357.

**EQUIPMENT CARE AND USE**

By taking this class you are accepting responsibility for all equipment you will be using in the course. The equipment room guidelines are available in the Equipment Checkout Room and on the Department’s websites.

Any student who damages or does not return gear will be responsible for the repair or replacement of that equipment. The student’s account in the Equipment Room will be locked to further equipment check out until the equipment is repaired, replaced or paid for. The student will have a hold placed on their UNO registration account until the equipment is repaired, replaced or paid for.

If equipment is returned late, the student’s Equipment Room account and FTA computer account will be locked for all FTA courses. Once the equipment is returned, the student’s accounts will remain locked for an additional week. If equipment is lost or damaged the student’s accounts will also be locked. Once proof of replacement or repair of the equipment is provided to the Equipment Room, the student’s accounts will remain locked an additional week. This will apply to first and second offenses. If a third offense occurs, the student’s accounts will be locked for the remainder of the semester. If the equipment has not been returned, repaired or replaced by the end of the semester the student’s accounts will continue to be locked and a hold will be placed on the student’s UNO registration account until the student reimburses FTA for the full price of the lost equipment or the repair of the damaged equipment.

In addition, if a student fails to return equipment on time the student will have his/her course grade reduced by 5% (or every team member’s grade) per day until the equipment is returned.
WORK CREATED WITH FTCA RESOURCES

All projects made in this class must include the full UNO animated film logo (on the Video Library drive) at the head (first item) and the following statement after end credits:

This film was made in partial fulfillment of a degree
The University of New Orleans, Department of Film and Theatre
–

All films entered in festivals must also include the above logo and statements.

ACADEMIC INTEGRITY

Academic integrity is fundamental to the process of learning and evaluating academic performance. Academic dishonesty will not be tolerated. Academic dishonesty includes, but is not limited to, the following: cheating, plagiarism, tampering with academic records and examinations, falsifying identity, and being an accessory to acts of academic dishonesty, any of which is grounds for receiving an F for the course. Refer to the UNO Judicial Code for further information. The Code is available online at

http://www.studentaffairs.uno.edu/studentpolicies/policymanual/academic_dishonesty.cm

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Students who qualify for services will receive the academic modifications for which they are legally entitled. It is the responsibility of the student to register with the Office of Disability Services (UC 260) each semester and follow their procedures for obtaining assistance. You are urged to register as soon as possible.

Withdrawal Policy – Undergraduate only
Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar’s website, http://www.registrar.uno.edu. Please consult The Bulletin for charges associated with dropping and adding courses.

Incomplete Policy – Undergraduate only
The grade of I means incomplete and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

Repeat Policy
When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student's Dean gives prior approval for documented extenuating circumstances.

Graduate Policies
Graduate policies often vary from undergraduate policies. To view the applicable policies for graduate students, see the Graduate Student Handbook: http://www.uno.edu/grad/documents/GraduateStudentHandbook2014.pdf

Academic Dishonesty Policy
Safety Awareness Facts and Education
Title IX makes it clear that violence and harassment based on sex and gender is a Civil Rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, etc. If you or someone you know has been harassed or assaulted, you can find the appropriate resources here: http://www.uno.edu/student-affairs-enrollment-management/

UNO Counseling Services and UNO Cares
UNO offers care and support for students in any type of distress. Counseling Services assist students in addressing mental health concerns through assessment, short-term counseling, and career testing and counseling. Find out more at http://www.uno.edu/counseling-services/. First-year students often have unique concerns, and UNO Cares is designed to address those students succeed. Contact UNO Cares through http://www.uno.edu/fye/uno-cares.aspx.

Emergency Procedures
Sign up for emergency notifications via text and/or email at E2Campus Notification: http://www.uno.edu/ehso/emergency-communications/index.aspx. All emergency and safety procedures are explained at the Emergency Health and Safety Office: http://www.uno.edu/ehso/.

Diversity at UNO
As the most diverse public university in the state, UNO maintains a Diversity Affairs division to support the university’s efforts towards creating an environment of healthy respect, tolerance, and appreciation for the people from all walks of life, and the expression of intellectual point of view and personal lifestyle. The Office of Diversity Affairs promotes these values through a wide range of programming and activities. http://diversity.uno.edu/index.cfm

Learning and Support Services
Help is within reach in the form of learning support services, including tutoring in writing and math and other supplemental instruction. Visit the Learning Resource Center in LA 334, or learn more at http://www.uno.edu/lrc/.

Affirmative Action and Equal Opportunity
UNO is an equal opportunity employer. The Human Resource Management department has more information on UNO’s compliance with federal and state regulations regarding EEOC in its Policies and Resources website: http://www.uno.edu/human-resource-management/policies.aspx
