LAB WORK

In addition to class work, students should expect to spend two to three hours per week in the Avid lab to complete assignments.

ATTENDANCE

This class will be taught in a highly interactive manner. Your attendance at every class session is especially important. A student’s overall grade will be reduced by 2% for each unexcused absence beyond two. It is highly unlikely that you will pass this course if you miss multiple classes.
ASSIGNMENTS and QUIZZES

No late assignments will be accepted for a grade without written excuse. An assignment is late if it is not turned in by 8 A.M. the morning it is due. Quizzes can be unannounced and will cover lectures and assigned readings up to that date. There are no make ups for quizzes.

CLASSROOM CONDUCT

Civility in the classroom and respect for the opinions of others is very important in an academic environment. It is likely you may not agree with everything that is said or discussed in the classroom. Courteous behavior and responses are expected.

1. Be in class on time. Please do not come five, ten, or twenty minutes late. Distracting interruptions are inconsiderate, disrespectful, and time wasting. There is no excuse for repeatedly arriving late. Parking is often a hassle; allow enough time for it. Cell phones, IPOD’s and other electronic devices must be turned off before class begins.

2. Feel free to ask questions of the instructor during class. But please do not ask other students, as talking disturbs my concentration and the concentration of other class members.

3. Students are expected to treat faculty and fellow students with respect. Any actions that purposefully and maliciously distract the class from the work at hand will not be allowed. Bullying, intimidation and harassment (sexual, cultural, ethnic, etc.) will not be tolerated.

4. No food or drink allowed in the lab

EQUIPMENT CARE AND USE

By taking this class you are accepting responsibility for all equipment you will be using in the course. The equipment room guidelines are available in the Equipment Checkout Room and on the Department’s websites.

Any student who damages or does not return gear will be responsible for the repair or replacement of that equipment. The student’s account in the Equipment Room will be locked to further equipment check out until the equipment is repaired, replaced or paid for. The student will have a hold placed on their UNO registration account until the equipment is repaired, replaced or paid for.

If equipment is returned late, the student’s Equipment Room account will be locked and/or
PACPOST key access will be denied. Once the equipment is returned, the student’s accounts will remain locked for an additional week. If equipment is lost or damaged the student’s accounts will also be locked. Once proof of replacement or repair of the equipment is provided to the Equipment Room, the student’s accounts will remain locked an additional week. This will apply to first offense. If a second offense occurs, the student’s accounts will be locked for the remainder of the semester. If the equipment has not been returned, repaired or replaced by the end of the semester the student’s accounts will continue to be locked and a hold will be placed on the student’s UNO registration account until the student reimburses FTA for the full price of the lost equipment or the repair of the damaged equipment.

In addition, if a student fails to return equipment on time the student will have his/her course grade reduced by 5% (or every team member’s grade) per day until the equipment is returned.

BACK UP YOUR WORK

Your work stored on the ISIS system is protected to some degree by redundant drives; however this is not a guarantee that it is completely safe. The local drives of FTA computers are cleaned and deleted on a regular basis and no work is to be permanently stored on local computer hard drives. You must back up your work on removable drives or discs to ensure that it is not lost or accidentally deleted. You are solely responsible for securing and preserving all work. Credit will not be given for work that is lost due to hardware failure or accidental deletion. Once the course is completed all drives will be wiped clean.

MOODLE

Students must have Internet access to www.uno.edu and the Moodle portion of FTA 2565. Students are responsible for all e-mail communications from the instructor to their UNO email drop box. Your UNO email should be your email of choice in Moodle. Help with Moodle can be accessed at http://www.uno.edu/moodle.

WORK CREATED WITH FTCA RESOURCES

All projects made in this class must include the full UNO animated film logo (on the Video Library drive) at the head (first item) and the following statement after end credits:

The University of New Orleans
Department of Film and Theatre
www.fta.uno.edu

All films entered in festivals must also include the above logo and statements.

ACADEMIC INTEGRITY

Academic integrity is fundamental to the process of learning and evaluating academic performance. Academic dishonesty will not be tolerated. Academic dishonesty includes, but is not limited to, the following: cheating, plagiarism, tampering with academic records and examinations, falsifying identity, and being an accessory to acts of academic dishonesty. Refer to the Student Code of Conduct for further information. The Code is available online at http://www.studentaffairs.uno.edu

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

It is University policy to provide, on a flexible and individualized basis, reasonable accommodations to students who have disabilities that may affect their ability to participate in course activities or to meet course requirements. Students with disabilities should contact the Office of Disability Services as well as their instructors to discuss their individual needs for accommodations. Withdrawal Policy – Undergraduate only
Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar’s website, http://www.registrar.uno.edu Please consult The Bulletin for charges associated with dropping and adding courses.

Incomplete Policy – Undergraduate only
The grade of I means incomplete and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all
graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

**Repeat Policy**
When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student's Dean gives prior approval for documented extenuating circumstances.

**Graduate Policies**
Graduate policies often vary from undergraduate policies. To view the applicable policies for graduate students, see the Graduate Student Handbook:

**Academic Dishonesty Policy**

**Safety Awareness Facts and Education**
Title IX makes it clear that violence and harassment based on sex and gender is a Civil Rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, etc. If you or someone you know has been harassed or assaulted, you can find the appropriate resources here: http://www.uno.edu/student-affairs-enrollment-management/
