Music 4705 - Advanced Jazz Improvisation – Fall 2015
Syllabus: Class Policies
Tuesday & Thursday - 11 am to 12:15 pm  Room 103 PAC
Brian Seeger
-  -7470  bseeger1@uno.edu
108E PAC  Office Hours – As Posted

The purpose of this class is to help the students to become better musicians and educators through the development of:
1) an understanding of a variety of musical forms through the study, memorization, and performance of tunes
2) a knowledge of improvisational techniques through the transcription, analysis, and performance of the recorded solos
3) an awareness of important theoretical concepts that can be used to expand the improviser’s melodic, harmonic, and rhythmic choices
4) aural and rhythmic skills
5) insight into creating and sustaining a personal environment for artistic and personal growth
6) a personal approach to the teaching and dissemination of musical ideas to others

Grading

Each student will be required to:

1) Complete 3 transcription projects,
Each of the transcriptions will be graded as Exemplary, Satisfactory, and Unsatisfactory. An Exemplary grade will be given to a transcription that is complete, memorized, performed at a high level, annotated well, has practice exercises if required, is delivered and performed by the due date, and reflects approximately 30 to 40 hours of practice and study. More advanced students should choose more difficult projects which will take them 30 to 40 hours to finish completely. A satisfactory grade will be given to a project that is complete, but demonstrates no special effort on the student’s behalf, or, to the project that meets the criteria for an Exemplary grade but was turned in late. An Unsatisfactory grade will be given to a transcription that is incomplete, poorly performed, shows no real effort or otherwise demonstrates a lack of integrity, or to a project that meets the criteria for a Satisfactory grade, but was turned in late.

ASSIGNMENTS TURNED IN LATE ARE PENALIZED
(SEE SYLLABUS: OVERVIEW FOR DATES)

2) Complete homework assignments and ear training exercises. Each assignment will be given a grade of Satisfactory or Unsatisfactory. Unsatisfactory grades in 20% or more of graded assignments will negatively affect the student’s final grade up to one letter.

3) Attend class regularly. Students are allowed 2 absences a semester. Due dates will not be changed to accommodate a student’s absence. Each absence after 2 will lower the student’s final grade by 1/4 of a letter grade. If you expect to have an insurmountable conflict that will preclude your attendance in class, it is in your best interest to inform the instructor of your personal situation well before the class you will
miss. Students not in class by ten minutes after the beginning of class may be considered absent.

4) Participate in class activities and quizzes.
Overall class participation (preparation of the studied material, contributing to class discussions, completing assignments, performance on ear training evaluations, etc.) will be assigned a final evaluation of Satisfactory or Unsatisfactory. An Unsatisfactory grade in this area will negatively affect a student’s final grade up to one letter grade.

GRADING SUMMARY
All assignments not turned in by the due date will receive a grade of Unsatisfactory.
A = 3 Exemplary Transcriptions, with no Unsatisfactory grades in the areas above, and 2 or fewer absences.
B = No Unsatisfactory Transcriptions and at least 1 Exemplary Transcription, with no Unsatisfactory grades in the areas above, and 2 or fewer absences.
C = 3 Satisfactory Transcriptions, with no Unsatisfactory grades in the areas above, and 2 or fewer absences.
D = 1 Unsatisfactory Transcriptions, with no Unsatisfactory grades in the areas above, and 2 or fewer absences.
F = 2 Unsatisfactory Transcriptions

Other Miscellaneous Notes
Students are advised that this class requires approximately 8-12 hours of work outside of the classroom each week, and that they should adjust their agendas accordingly. The preferred methods of contacting the instructor, from most effective to least effective, are: in person at school, email, cell phone, office phone, in person somewhere other than school. Texting the instructor is generally unacceptable.

Withdrawal Policy

Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar’s website, http://www.registrar.uno.edu. Please consult The Bulletin for charges associated with dropping and adding courses.

Incomplete Policy

The grade of I means incomplete and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

Repeat Policy

When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student’s Dean gives prior approval for documented extenuating circumstances.

Three Transcriptions

- Refer to the handout “The Perfect Transcription” for additional details about what constitutes a great transcription presentation.
- All transcriptions done in Finale or similar notation program. Annotations can be done by hand on the printouts.
- Late transcriptions will receive a reduced grade. **YOU CANNOT EARN A GRADE OF A IN THIS CLASS IF ANY OF YOUR TRANSCRIPTIONS ARE LATE.**
- No incompletes

**Transcription #1: Due on September 22nd.** 2 choruses of walking bass, predominantly quarter notes, from some great bass player with noteworthy time, on a 32 bar standard with relatively involved chord changes AND 1 chorus (32 bars) of the ride cymbal accompanying said bass part. Practice playing along with the ride cymbal using a stick on a cymbal and also using one note, or scales, on your instrument, or - be creative. Pay in depth attention to the swing feel and to the intensity of each beat. You must memorize this - that is one of the main points, internalizing the time feel!!

**Transcription #2: Due on November 3rd.** A Sonny Rollins solo. Fully annotated & memorized. Give special emphasis to time feel and especially articulations. Produce two practice examples that get at something which is particularly Sonny, and, practice them before you give your presentation. That means start working on this sooner as opposed to later. Drummers - translate the solo into a drum solo, or perform the solo on a melodic instrument.

**Transcription #3: Due on December 1st.** Clifford Brown with Strings, Tom Harrell ballad or Kenny Wheeler. Fully annotated & memorized. Produce two practice examples that get at something which is particularly to the artist you transcribed, and, practice them before you give your presentation. This presentation should elicit “Wows” from your peers. It should be so happening you impress yourself. Drummers - translate the solo into a drum solo, or perform the solo on a melodic instrument.
