Security Levels

Eric Hollerbach

Let those so corrupt see
Bring me your most cruel
Your sociopaths.

What is so beyond reproach
That the disinfecting rays of the
Sun, dare not shine?

The more secure
The more blatantly illegal
Depraved and unconstitutional.

Until leaked into public laws
Slowly, scientifically
As a snake constricts wriggling prey.

Information leaks as slowly
As holes in the heads of
Whistleblowers.

Continuity of government
Underground bases to hoard the
Perpetrators.

This is on a strictly
Need to know basis.
