First day - sitting inside the swinging door
of the Mont Royal metro stop + everytime the
you swing open, gusts of wind & rain blast thru
that beautiful, massive wooden door
I'm surprised more people aren't coming over
there's just this guy telling me the story
of the woman who was in the car with the
backpack, really looking good and then the
chick from below the escalators the sounds
of the kids to their voices
I wonder if I could just transfer here
to permanently, that way -- interesting -- the
woman who was in the car with the backpack
is no longer in the car with the backpack

WOW - what a city - I should really do
a semester here... it'd be so easy, too -
