STUDENT REQUEST

What are you requesting?	Request Embargo Extension
--------------------------	---------------------------

EXTENSION PERIOD

Select Timeframe	Three Year Extension Request
Reason	I published my master's thesis The First Cut is the Deepest: George H.W. Bush and CHIREP at the U.N. 1970-1971 to ScholarWorks back in May 2020. I'm now having a bit of trouble placing revised portions in a scholarly journal as it is freely accessible on the web. This may be an unusual request, and if I'd understood the practical implications of the paper's access level I would have selected to embargo. Thank you!
