Instructor: Kraig Derstler, G/P 1020A, kderstle@uno.edu; 280-6799
Office Hours: TTh 11am-12:30pm, WF 1-3pm

Text: NONE required. The course is built around the lectures. However, several books may help, if you wish to
have an optional text. A good (if outdated) book is Norman, D. (1985) "The Illustrated Encyclopedia of
Dinosaurs" (Crescent Books). More up-to-date (but less useful) books include actual dinotexts. One is
Fastovsky & Weishampel Cambridge Univ. Press. Another is Lucas, S. "Dinosaurs: the textbook"
waste money on a new copy; both books are hugely, gigantically, grotesquely, revoltingly overpriced.

Please remember at the end of the semester when you fill out an evaluation that you were provided
this information, although you were not required to obtain a book because of the exorbitant prices.

Grading: 4 exams, 100 pts each, no curve, no makeup exams and no early exams.
If it helps, one of the first three exams will be replaced with a duplicate of their 4th (final) exam score.
EVERYONE TAKES THE FINAL EXAM, no exceptions and no early exams. Please don’t ask.
Extra Credit: 1.) quizzes; 2.) up to 10 pts for the writeup of your “Walk Thru Time”

Attendance: As per university policy, attendance is required. Attendance will be recorded by passing a signup
sheet around the classroom. Excessive unexcused absences may result in reduction in grade at the
discretion of the instructor.

Honesty: Any academic dishonesty will result in a failing grade. Your case may also be submitted for further action.
Academic integrity is fundamental to the process of learning and evaluating academic performance. To this end, academic dishonesty
will not be tolerated. Such dishonesty includes but is not limited to the following: cheating, plagerism, tampering with academic records
and examination, and being accessory to acts of academic dishonesty. Refer to the Student Code of Conduct for further information:
http://www.studentaffairs.uno.edu

Optional Fieldtrip: The instructor is occasionally available for guided tours of the dinosaur hall at the
Houston Museum of Natural Science. This is not a UNO function and neither transportation nor
entry fees are provided. The tours are open to anyone who wishes to attend. Ask if interested.

Disabled Students: The instructor will make all reasonable accommodations for students registered with ODS.
UNO provides reasonable accommodations to students who have disabilities that may affect their ability to participate in course
activities or meet course requirements. Students should contact the Office of Disability Services and their instructors to discuss this
issue: http://www.ods.uno.edu

Learning Goals: Your Educational Goals
Learning Goals for this class are
1.) to be conversant with contemporary dinosaur science,
2.) to be familiar with peripheral topics such-as geological time, zoological classification, biological evolution, and
basic vertebrate skeletal anatomy,-and
3.) by the end of the semester, think like a dinosaur paleontologist.

Student Behavior: Some wise and important soul has decided that all UNO syllabi need a statement on student
behavior. To that end, I expect you to be polite, raise you hand to ask questions, not walk out of class unless you
have a bona fide emergency, and never, ever walk in front of the class once the lecture has started.

 Withdrawal Policy – Undergraduate only
Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar’s website, http://www.registrar.uno.edu. Please consult The Bulletin for charges associated with dropping and adding courses.

Incomplete Policy – Undergraduate only
The grade of I means incomplete and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

Repeat Policy -- When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student’s Dean gives prior approval for documented extenuating circumstances.

Safety Awareness Facts and Education -- Title IX makes it clear that violence and harassment based on sex and gender is a Civil Rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, etc. If you or someone you know has been harassed or assaulted, you can find the appropriate resources here: http://www.uno.edu/student-affairs-enrollment-management/

UNO Counseling Services and UNO Cares -- UNO offers care and support for students in any type of distress. Counseling Services assist students in addressing mental health concerns through assessment, short-term counseling, and career testing and counseling. Find out more at http://www.uno.edu/counseling-services. First-year students often have unique concerns, and UNO Cares is designed to address those students succeed. Contact UNO Cares through http://www.uno.edu/fye/uno-cares.aspx.

Emergency Procedures -- Sign up for emergency notifications via text and/or email at E2Campus Notification: http://www.uno.edu/ehso/emergency-communications/index.aspx. All emergency and safety procedures are explained at the Emergency Health and Safety Office: http://www.uno.edu/ehso.
Diversity at UNO ---- As the most diverse public university in the state, UNO maintains a Diversity Affairs division to support the university’s efforts towards creating an environment of healthy respect, tolerance, and appreciation for the people from all walks of life, and the expression of intellectual point of view and personal lifestyle. The Office of Diversity Affairs promotes these values through a wide range of programming and activities. http://diversity.uno.edu/index.cfm

Learning and Support Services --- Help is within reach in the form of learning support services, including tutoring in writing and math and other supplemental instruction. Visit the Learning Resource Center in LA 334, or learn more at http://www.uno.edu/lrc/.

Affirmative Action and Equal Opportunity -- UNO is an equal opportunity employer. The Human Resource Management department has more information on UNO’s compliance with federal and state regulations regarding EEOC in its Policies and Resources website: http://www.uno.edu/human-resource-management/policies.aspx

Extra Info -

- Here’s a particularly good, well-illustrated discussion on the current state of theropod classification. It will use lots of words and names you don’t know, so do not study from this. Rather, consider it as cool supplement to the course. http://www.palarch.nl/wp-content/Hendrickx_et al_2015_non_avian_theropods_pjvp12_11.pdf
