Student Learning Outcome

You will continue to develop your reading, speaking and writing skills in Spanish. You must commit the vocabulary and grammar rules to memory and be able to use the material to communicate on a basic level in Spanish. These skills will be limited to the chapters covered this semester.

There will be four chapter tests administered on Moodle.

There will also be a midterm and a final exam which must be taken at UNO or at another approved site with a proctor. These two exams will not be taken electronically and you will not be able to use any study materials.

Please refer to Moodle where I have provided information for setting up an appointment with ProctorU if you are unable to come to UNO for the midterm and final exams.

Your grade will be calculated as follows:

Tests: 40% On Moodle
WileyPLUS 20% Online
Midterm: 20% On site
Final exam 20% On site

There is no extra credit for this course.

As this is an online course, I will communicate with you via the UNO email system and Moodle.

I expect you to check your UNO email and Moodle at least once a day.

The dates for all tests and exams are listed on Moodle.
There is also a document called Syllabus Attachment on Moodle that has helpful information that is not specific to this course.
