CLASSROM CONDUCT

This class is taught in a highly interactive manner. You are expected to participate fully in all activities. Being tardy not only negatively affects your learning (and your grade), but the learning of your classmates. Disrespectful attitudes, actions, or any form of sexual harassment are not acceptable. Turn off all cell phone ringers. Texting, emailing, making or receiving calls, and any online activity is strictly prohibited. If you must communicate with someone outside of class, please excuse yourself from the classroom.
"Theory is the little intellectual dance we do around the music, attempting to come up with rules so we can understand why Charlie Parker and John Coltrane sounded the way they did."

"Be aware of what your eyes see and what your hands feel when you play. Do this just as much as you focus your mind on the mental stuff, and you'll get beyond theory--where you just flow with the music. Aim for that state of grace, when you no longer have to think about theory." —Mark Levine

**Withdrawal Policy – Undergraduate only**

Students are responsible for initiating action to resign from the University (withdraw from all courses) or from a course on or before dates indicated in the current Important dates calendar. Students who fail to resign by the published final date for such action will be retained on the class rolls even though they may be absent for the remainder of the semester and be graded as if they were in attendance. Failure to attend classes does not constitute a resignation. Check the dates on the Registrar’s website, [http://www.registrar.uno.edu](http://www.registrar.uno.edu). Please consult The Bulletin for charges associated with dropping and adding courses.

**Incomplete Policy – Undergraduate only**

The grade of I means *incomplete* and is given for work of passing quality but which, because of circumstances beyond the student's control, is not complete. The issuance of the grade of I is at the discretion of the faculty member teaching the course. For all graduate and undergraduate students, a grade of I becomes a grade of F if it is not converted before the deadline for adding courses for credit (as printed in the Important Dates Calendar) of the next regular semester including summer semester.

**Repeat Policy**

When a student is permitted to repeat a course for credit, the last grade earned shall be the one which determines course acceptability for degree credit. A student who has earned a C or better in a course may not repeat that course unless, (1) the catalog description indicates that the course may be repeated for credit, or (2) the student’s Dean gives prior approval for documented extenuating circumstances.

**Graduate Policies**

Graduate policies often vary from undergraduate policies. To view the applicable policies for graduate students, see the Graduate Student Handbook: [http://www.uno.edu/grad/documents/GraduateStudentHandbook2014.pdf](http://www.uno.edu/grad/documents/GraduateStudentHandbook2014.pdf)
